text structure	what it means	clue words	visual
time order/sequence	the text outlines a list of steps in a procedure or events	before, followed by, finally, first, second, third, next, last, eventually	
problem/solution	the text gives information about a problem and then explains one of more solutions	concern, solve, prevent, so that, the answer, one reason is, challenge, help	
cause & effect	the text tells about an event (cause) and the effects that follow the event	this led to, as a result, so that, due to, so, for this reason, in order to	
compare/contrast	the text talks about similarities and differences between two subjects	like, unlike, also, similar, different, too, however, same as, although, as well as	
description/list	the text gives details or characteristics of something	one example, also, another, to begin with, on top of, in addition
